

The Preserve on Rathbun Lake Inclement Weather Procedure

During the golfing season, weather on the golf course can change without notice. It is important to inform our guest of daily activities, especially when weather can be severe and potentially dangerous. Every effort will be made by our golf staff to create a safe and comfortable guest experience. Weather will be evaluated on a daily basis and posted in our golf shop. Our policies concerning weather related issues will be as follows:

I. Potential for inclement weather

- ❖ If inclement weather is a potential on any given day, each group will be given an update at the time of check in. Current weather predictions from local outlets will be followed and updated when applicable.
- ❖ Our Golf Shop will monitor the situation and ensure that players are given proper information when it becomes available.
- ❖ Individuals will be notified that if inclement weather is immediate, an air horn blast will be given to signal the stoppage of play and the need for immediate return to the clubhouse.

II. When Inclement weather is in the area

- ❖ Golf shop personnel will monitor the storm and members of the golf shop and outside services staff will inform players on the course of the potential for inclement weather.
- ❖ A warning will be sent out to all guests via our GPS system announcing that inclement weather is in the area and players are encouraged to seek shelter if they feel threatened.
- ❖ If the threat is not immediate, we will give the guest the option to continue play at their own risk, knowing there is inclement weather in the area and that weather has the potential to change without warning.

III. When Inclement weather is immediate

- ❖ If, At the Complete Discretion of the Director of Golf, the threat for inclement or potentially dangerous weather is high or immediate, he or she may insist that all play be stopped and all guest return to the golf shop immediately.
- ❖ 1 solid air horn blast will be given from the Golf Shop signaling the interruption of play. All players will be instructed to return to the golf shop immediately.
- ❖ A shuttle cart will be used to pick up any walking guests from the course and assist in gathering all guests from the course in a timely and organized fashion.
- ❖ Outside services and golf shop staff will be on hand to assist guests with bags and return carts to the staging area.
- ❖ Please see the applicable rain check policy for all returns due to inclement weather.
